FAUQUIER COUNTY ENVIRONMENTAL SERVICES

Wasteline

A Focus on Mixed Paper

Fauquier County accepts all forms of “mixed paper” for recycling at all of our residential collection sites. So what is “mixed paper”, you ask? Mixed paper generally includes any paperboard material that can tear and is not contaminated. The following is a list of acceptable “mixed paper” material:

- Magazines and catalogs (includes glossy material)
- Junk mail (includes envelopes)
- Newspaper inserts
- Notebook paper, composition notebooks, spiral notebooks (spiral removed)
- Sticky notes, index cards, receipts, adding machine tape
- Food boxes (cereal, crackers, rice, clean pizza boxes)
- White office paper, colored paper, file folders (metal pieces removed)
- Greeting cards, wrapping paper, gift boxes
- Product packaging (soda boxes, beer boxes, shoe boxes, tissue boxes)
- Inner rolls from toilet paper and paper towel rolls
- Paper shopping bags, gift bags
- Shredded paper (please leave in a closed, plastic bag)

Items that are NOT acceptable as “mixed paper” include:

- Toilet paper, paper towels, paper plates, paper cups
- Carbon paper
- Candy wrappers, food wrappers
- Corrugated cardboard (recycled separately)
- Newspaper (recycled separately)
- Phone books, paperback books, hardcover books (recycle separately)

H.M. PEARSON NOW PARTNERING WITH GREEN HIPPO

H.M. Pearson Elementary School is now partnering with GreenHippo.com! Green Hippo buys used (and new!) inkjet and toner cartridges, cell phones, tablets, and other small electronics. The school will collect these items on site and ship them directly to Green Hippo for reimbursement. This program will serve as a fundraiser for H.M. Pearson.

Manufacturers include: Brother, Dell, HP, Canon, Epson, Lexmark, Sharp, Xerox, Apple, Samsung, and many more!

P.B. SMITH NOW PARTNERING WITH TERRACYCLE

The P.B. Smith Ecology Club will be collecting drink pouches for a special recycling project called the Drink Pouch Brigade. A company called Terracycle creates new products out of the drink pouches in an effort to keep them out of landfills. All you have to do is save your drink pouches, cut open the bottom inside part of the pouch, remove the straw and rinse. All brands of drink pouches are acceptable (no juice boxes). For more information go to <http://www.terracycle.net>

HALF PRICE TIRE RECYCLING – APRIL ONLY!

In honor of Earth Day on April 22nd, the county is hosting a half-off passenger tire recycling event for **residents and farms only**. But only for the month of April! Tires are accepted at the Corral Farm facility near the Town of Warrenton Monday-Saturday, 7am-3pm.

HOOR CHANGES

Remote Collection Site hours have changed with Daylight Saving Time. Please see chart at right.

The **Corral Farm facility** hours remain unchanged.
